

“Saving Lives From The Heavily Censored Holocaust”

[HTTPS://THEYLIEDTO.US](https://theyliedto.us)

PRESENTS

**HOLOCAUST PROOFS-
END TIME HOLOCAUST HAPPENING NOW!
WE ARE BEING LIED TO!**

Did you know that many world renown doctors, top scientists and health experts are totally against the covid vaccine? They are warning people, “Do not take the vaccine!” You are not getting the truth! Their experience and research has shown that millions world wide are dying and suffering from the experimental injection mandated and given globally. They are also warning after much study and research not only what is in the vaccines are dangerously toxic and disease causing but also the pathological nature of the mRNA function producing spike proteins may in fact end up killing billions of people world wide!!!

These highly respected, distinguished doctors are being systematically censored, banned, de-platformed and outright silenced by mainstream media, by popular social media platforms and by government agencies throughout the world. Hundreds of thousands of doctors are trying to expose the medical establishment/big pharma cartel for

premeditated murder and genocide- thousands of doctors are suing the WHO, CDC and the United States federal government for the countless deaths and carnage of permanently injured-literally millions world wide!

This website has the video and written documentation of many of these doctors, scientists, whistleblowers. There is overwhelming proof of a real, horrific holocaust being deliberately censored by all the corrupt governments of the world, the medical establishment/big pharma and the world wide mainstream medias- all bought and paid for by the global elite. As many world renown doctors have said, "this is an intentional depopulation/genocidal agenda!" Many who are dying in hospitals are the vaccinated! And many are not dying from covid but from the medical drug treatments & protocols that are being systematically implemented world wide! "Let no man deceive you!" Don't blindly trust the giant globalist apparatus that has endless supply of money to own and control these corrupt institutions (governments, medical establishment & mainstream medias) to carry out their depopulation goal of less than 500 million people on the earth (see Georgia Guidestones for more info). Wake up, oh precious people or die!

The mark of the beast and end time extinction level holocaust that Jesus predicted in Matthew 24 is taking place right now with great deception. So great of a deception in fact, it has all the appearance of some benevolent humanitarian effort to save mankind but is actually the mass extermination and genocide of much of the world's population. Jesus said that "unless those days are shortened, no human being would remain alive." The death count is exponentially mounting from these vaccines and also from many other unseen biological and psychological warfare weapons now being waged upon the world. At this point, loser-ifer owns all the globalists, wealthy elites and world leaders. Unless the people rise up in one great revolutionary push back against this medical tyranny and coming mark of the beast system , I am afraid, our only hope now is the return of the Lord Jesus Christ. No doubt, he has actually always been our only hope in this fallen, broken, utterly corrupt world. Be ready. The end is near. ~ Heath Christopher Goodman

LITERALLY HUNDREDS OF THOUSANDS OF DOCTORS, SCIENTISTS, PHD PROFESSIONALS, NURSES, MEDICAL PROFESSIONALS AND OTHER HIGHLY RESPECTED RESEARCHERS AND INVESTIGATIVE JOURNALISTS UNDER WORLD WIDE SUPPRESSION AND CENSORSHIP ARE SPEAKING OUT AGAINST THE COVID 19 VACCINE- AS NOT SAFE, NOT EFFECTIVE, KILLING AND PERMANENTLY HARMING PEOPLE!!!!

“INFORMED CONSENT” MEANS YOU ARE NOT JUST BEING FEARFULLY MANIPULATED TO HEAR ONE SIDED PROPAGANDA FROM THE MAINSTREAM MEDIA AND SOCIAL PLATFORMS THAT CENSOR OR BAN ANY DISSENT OR NEGATIVE DATA OR INFORMATION THAT UPSETS THE UNIVERSAL AGENDA TO VACCINATE ALL HUMANITY WITH A 10 MONTH EXPERIMENTAL GENE THERAPY MISLABELED A “VACCINE”.

**HIGHLY REPUTABLE DOCTORS SPEAK OUT AGAINST THE VACCINE!!!
PLEASE DONT TAKE IT!**

LETTER TO DOCTORS FROM CHRISTOPHER KEY- <https://www.keys2life.info>

Dear Dr. _____,

I am writing to implore you as a medical doctor, based on the oath you took to do no harm, to be as faithful in making your patients aware of the dangers of vaccines as much as you promote their safety. Based upon your integrity as a doctor and because every child is made in the image of God, I would like for you to do the right thing in regards to a letter written in 2013 by the American Academy of Pediatrics. This letter stated, "ALL parents and patients should be informed about the risks and benefits of preventative and therapeutic procedures including vaccination." Nowhere in the said letter is anything stated concerning the risks of vaccines; conversely, only the benefits of vaccination are described-a very slanted one-sided story. In light of the requirement in the letter, I am providing you with eleven undeniable facts regarding the dangers of vaccines. This information is required to be given to your patients about the risks associated with vaccinations to comply with the letter cited above.

11 Undeniable Facts Concerning Vaccination

1. The U.S. Supreme Court rules all vaccines unavoidably unsafe.

https://www.aap.org/en-us/documents/immunization_refusaltovaccinate.pdf

2. None of the vaccines on the U.S. CDC recommended childhood vaccine schedule were tested against an inert saline placebo in clinical trials. [The Facts About the FDA's Questionable Practices • Children's Health Defense](#)

3. This HHS lawsuit shows that no safety studies have been conducted on vaccines for thirty-three years. <https://www.worldhealth.net/news/rfk-jr-wins-case-against-government-vaccine-safety-violations/>

4. Compensation for vaccine injury to date: 4.4 billion and counting.
<https://www.hrsa.gov/vaccine-compensation/data/index.html> [Description of the National Vaccine Injury Compensation Program \(NVICP\) • Children's Health Defense](#)

5. The CDC, frankly, is a vaccine company; it owns at least fifty vaccine patents and buys and distributes \$4.6 billion in vaccines annually through the Vaccines for Children program. [Examining RFK Jr.'s claim that the CDC "Owns over 20 vaccine \(greenmedinfo.com\) FY 2018 Budget in Brief - CDC | HHS.gov](#)

6. In 1986, Congress passed the National Childhood Vaccine Injury Act freeing companies from liability for injuries resulting from childhood vaccines no matter how toxic the ingredients, how negligent the manufacturer, or how grievous the harm. [H.R.5546 - 99th Congress \(1985-1986\): National Childhood Vaccine Injury Act of 1986 | Congress.gov | Library of Congress](#)

[NCVIA: The Legislation that Changed Everything—Conflicts of Interest Undermine Children's Health: Part II • Children's Health Defense](#)

7. There are two Hepatitis B vaccines licensed for one day old babies in the United States—one manufactured by Merck and the other by GlaxoSmith Kline. Merck's Hepatitis B was licensed by the FDA after trials which solicited adverse reactions for only five days after vaccination. Similarly, GlaxoSmithKline's Hepatitis B Vaccine was licensed by the FDA after trials which solicited adverse reactions for only four days after vaccination. [recombivax_pi \(merck.com\)](#)

8. In 1965, 4% of the US population had a chronic disease. For American kids born in 1986, only 12.8% had chronic disease. That number has grown to 54% among the vaccine generation according to a 2011 survey funded by the U.S. Department of Health and Human Services (HHS)

9. Vaccines CAN and DO cause injuries. The message that vaccine injuries are rare is not supported by facts and anecdotal evidence. An HHS-sponsored study by the Agency for Healthcare Research and Quality found that vaccine injuries,

when tracked using electronic medical records, occur in one in thirty-nine vaccines given.

[Electronic Support for Public Health - Vaccine Adverse Event Reporting System \(ESP:VAERS\) \(Massachusetts\) | AHRQ Digital Healthcare Research: Informing Improvement in Care Quality, Safety, and Efficiency Vaccine Injuries Ratio: One for Every 39 Vaccines Administered • Children's Health Defense](#)

10. Post-licensure vaccine safety surveillance is failing the American people and children around the world. The Vaccine Adverse Event Reporting System(VAERS), where doctors and patients voluntarily report adverse vaccine events, received 58,381 reports in 2018. including 412 deaths, 1,237 permanent disabilities, and 4, 217 hospitalizations. An HHS-funded review of VAERS concluded that "fewer than one per cent of vaccine adverse events are reported " to VAERS. The CDC has refused to mandate or automate VAERS reporting. [Electronic Support for Public Health–Vaccine Adverse Event Reporting System \(ESP:VAERS\) \(ahrq.gov\) ican-reply-december-31-2018.pdf \(childrenshealthdefense.org\)](#)

11. The CDC vaccine researcher-turned whistleblower, Dr. William Thompson, Ph. D. was denied the ability to testify regarding scientific fraud and destruction of evidence by senior CDC officials in critical CDC vaccine safety studies regarding an association between childhood vaccines and autism. Thompson invoked federal whistleblower status and alleges that the CDC destroyed evidence that black boys are 3.36 times more likely to develop autism if they receive the MMR vaccine before age three. [CDC Blocks Testimony by Vaccine Whistleblower in Medical Malpractice Case • Children's Health Defense The Statement of William W. Thompson • Children's Health Defense](#)

You are protected from all liability if you execute these three imperatives:

1. Make full disclosure of the risks (**eleven undeniable facts**) in a hand-out to patient or parent/guardian per signed consent before vaccination.
2. Make this information (**eleven undeniable facts**) easily available on your website.
3. Make it known that your patients can opt out of any and all vaccines by expressing a religious, medical or philosophical right of exemption (in accordance with the state in which they live). Treat the patient whether he is vaccinated or

unvaccinated.

I am sure you know, President Reagan in 1986 signed into law the National Childhood Vaccine Injury Act (NCVIA) which eliminated all financial liability to the vaccine manufacturers due to vaccine injury claims or death unless they committed fraud (i.e., deceit, trickery, practice, or breach of confidence perpetrated for profit or to gain an unfair advantage). I believe in order to protect and to keep you from committing fraud, you have thirty days to rectify the situation stated above. In my opinion, it is possible and even probably, anyone who is injured or dies from a vaccine thirty days from you receiving this letter could hold you personally, along with the President of the United States, the U S senators, the president and board of directors of the

American Board of Pediatrics, Bill Gates, Dr. Fauci, and Dr. Redfield criminally and/or civilly liable for injury or death. By not addressing the three requests stated above, you are enabling the vaccine companies to commit fraud on the American people. I urge you to act on the information presented here and plead with you to support and listen to those who question you regarding the safety of vaccines instead of rejecting their cries for truthful information and thus becoming a useful instrument of the pharmaceutical companies.

This letter has been sent to you certified, and as of today, is being made public. I request prompt attention and proof of confirmation of your direct action with sending verification to the website, email address or cell phone number listed below.

Sincerely,

Christopher Key
